Don't Waste a Ministry!

Thank you so much for those who have been saving their aluminum cans for recycling! We have an upcoming Can Crushing in July so please remember at your July 4th Celebrations, Reunions, Ball Tournaments, Picnics, VBS, Swim Parties, etc. to collect your aluminum cans. Deposit tubs are located in the church building service closet, the Fellowship Hall, and the FAC. We recycle those to use funds to buy Bibles for those that need one and the Eastern European Missions Bible giveaways with the Word printed in their native language! We also pull the tabs to help Ronald McDonald House in lodging for families with children in the Amarillo hospitals. Don't throw away a resource that can aid others!

Many international people make Canyon/Amarillo their home now. They need an American friend and a knowledge of the English language. How can we, as Christians, meet those needs? One way is through FriendSpeak.

What do FriendSpeak Workers do? They build a trusting relationship with a Reader by sharing their life experiences. They help a Reader read, understand, and practice their English in conversation. They discuss God's plan through conversation about Jesus, traditions, culture, and experiences in this new place. The goal is to help Readers improve their English while bringing them to faith in Jesus.

Come, be a part of this life-changing ministry.
