Grandbaby Congratulations!

Jay & Diane Thurman are the very proud grandparents of Ellie Jeanne Brown, born on Tuesday, June 21. Ellie weighed 7 lbs 6 oz and is already adored by her entire family, including her parents, Justin & Macey. Congratulations to all!

Many international people make Canyon/Amarillo their home now. They need an American friend and a knowledge of the English language. How can we, as Christians, meet those needs? One way is through FriendSpeak.

What do FriendSpeak Workers do? They build a trusting relationship with a Reader by sharing their life experiences. They help a Reader read, understand, and practice their English in conversation. They discuss God's plan through conversation about Jesus, traditions, culture, and experiences in this new place. The goal is to help Readers improve their English while bringing them to faith in Jesus.

Come, be a part of this life-changing ministry.
