### Don't Waste a Ministry!

Thank you so much to those who have been saving their aluminum cans for recycling! We have an upcoming Can Crushing in July so please remember at your July 4<sup>th</sup> Celebrations, Reunions, Ball Tournaments, Picnics, VBS, Swim Parties, etc. to collect your aluminum cans. Deposit tubs are located in the church building service closet, the Fellowship Hall, and the FAC. We recycle those to use funds to buy Bibles for those that need one and the Eastern European Missions Bible giveaways with the Word printed in their native language! We also pull the tabs to help Ronald McDonald House in lodging for families with children in the Amarillo hospitals. Don't throw away a resource that can aid others!
