Thank You Notes

Dear Church, Thank you so much for the cards, prayers & food we received while we were sick and after my fall and head injury. Couldn't have made the progress in our healing without you. Thank the Lord for healing and all of you.
Love, Sue & Kenneth Rusler

I thank my God every time I remember you (Philippians 1:3). That is not merely a quotation of Scripture, but the true feelings Lynette and I have for all of you. You blew us completely away with your expressions of love on Sunday! Thanks so much to the elders, their wives, and Sandy Allison for working so hard to make it a perfect afternoon. I only hope that I was anywhere near as good as you made it sound like I was. Thanks, too, to the people who served in the kitchen, on the serving line, and in the cleanup. And to all of you who were there to encourage us and make us feel so special. Both of us were humbled by the hugs, the blessings you spoke to us, the cards, the gifts... You already have a special place in our hearts; now our hearts are bursting with the joy you brought and continue to bring to us.

Love, David and Lynette

Camping Trip Opportunity

The summer getaway to Coyote Creek State Park near Angel Fire July 16th-21st is starting to fill up. The group camp site RV spaces are near capacity so if you need to reserve one see J. Fulton. Tent spaces are still available. After we fill up in the group site the individual sites will need to be reserved by each family independently. Please talk with J. Fulton before you do this as many sites have limiting lengths and most are without power. He can help you find a site that works best for your needs.
