Summer Camping Trip Opportunity

The summer getaway to Coyote Creek State Park near Angel Fire July 16th-21st is starting to fill up. The group camp site RV spaces **are** full, but tent spaces are still available. With the group site filled up you will need to reserve an RV spot independently. Talk with J. Fulton before you do this as many sites have limiting lengths and most are without power. He can help you find a site that works best for your needs. Do this as quickly as you can because the electric sites fill up first.
